

Cultural Arts Workshop in Ghana with Cross Cultural Collaborative

*Hear the ocean slowly roll in as you sit on the beach with your novel...
Share the joy of a Ghanaian child as she sketches out her ABCs in the sand...
Delight in the simple pleasures of creating beautiful art from things that grow.*

A *Cross Cultural Collaborative* vacation takes you to the heart of vibrant village life in Ghana!

The Cultural Arts Workshop at Cross Cultural Collaborative is a unique real-world opportunity to surround yourself with the tropical beauty of Ghana while creating intimate connections with village children through art, music and culture.

Our cultural arts center at ABA House is a gathering place overlooking the ocean and the fishing village of Nungua, just south of the capital at Accra. At ABA House, you experience an intimate interaction with the local community every day, immersed in a spiritual culture that is grounded in tradition.

**Don't see Africa from the window of a tour bus!
Experience first hand the creative spirit of Ghana!**

Cross Cultural Collaborative offers unique people-to-people cultural arts immersion experiences for all kinds of travelers. We guarantee flexibility and individual attention to meet the needs and interests of each group and traveler. Contact us for descriptions of specialized professional workshops, African-American history programs and inspirational personal journeys.
