Artists will have the opportunity to work independently & collaboratively, to meet local artisans & to be immersed in the local culture. We find that by bringing people to live & work at our cultural center we break down stereotypical thinking. Our participants form lasting friendships & come to appreciate not only other cultures but their own as well. Our program is about cultural awareness & appreciation.

We will meet you at the airport - provide accommodations - breakfast - dinner - take you to galleries - museums - traditional villages - outdoor markets - offer workshops by local artisans - provide workspace & end with a party of traditional drummers & dancers.

AIRFARE & RELATED EXPENSES + MATERIALS FOR YOUR PROJECT are not included

**SIGNUP DEADLINE. MAY 1. PAYMENT DUE BY JUNE 1** - payment options will be sent at signup - THERE IS NO JURING FOR PARTICIPATION IN OUR RESIDENCY - just the desire to learn something new and be outrageously creative. Spend 2 weeks at our cultural center in an African village - follow your curiosity about the unknown & make connections with other creative people. Interact with local artisans and our awesome kids who would love to have you share your skills with them. Experience a spiritual culture grounded in tradition & ritual and be exposed to a wider world view.

If applying please send:

name- email - brief CV - website or a few images of your work - how you heard about the residency

After payment we'll send information to help prepare for travel to Ghana.

The Aba House kids make paper from sugar cane leaves & coptic books. They'll be working in the yard & you're welcome to join them.

Our mission is to make the world a better place through the language of art
